

Please reject NAB's Petition 04-160 I benefit from listening to XM Satellite Radio and its traffic and weather channels. I travel a lot and satellite radio provides variety and quality programming that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I like and deserve.
